10.3 (9.3a)

- i) Conducting of Bridge Course in Applied Science, Mathematics and English Communication. Resolution of 9th GC Meeting: It was resolved to continue the efforts and also to envisage new methods to improve the results.

Action Taken:

Bridge course could not be conducted due to COVID-19, pandemic. It will be conducted for first semester students, after the admissions, and after reopening of Polytechnic, which depends on the directive from DTE, Bengaluru, due to COVID-19 pandemic, during the academic year 2020-21, on completion of final year examinations.

Discussions /Suggestions:

Prof. M.H. Dhananjaya, suggested to conduct on-line bridge course. For this Principal expressed that it can be done, after the admissions.

Resolution of 10th GC meeting: It was resolved to conduct bridge course on line after admissions, if COVID-19 situation persists and also on the directive of District administration

ii) Establishing Language Lab

Resolution of 9th GC Meeting : To continue the same with regard to the language lab and try to improve results

Action Taken:

Could not be carried out due to COVID-19 Pandemic.

Discussions /Suggestions:

Dr. C.G. Betsurmamath, Executive secretary, suggested to refrain from telling that the events could not be conducted citing COVID-19 pandemic, every time. Instead, try to give potential reason for not conducting.

For this Principal expressed that a very short period of approximately 30 working days were left, after the 9th GC meeting, for the completion of academic year. Due to this and also since students were busy in internal test and submissions, it could not be conducted.

Resolution of 10th GC meeting: To continue the optimum usage of language lab, during next academic year either off line or on-line.

10.3(9.3b) : Formation of Staff Evaluation Committee

Resolution of 9th GC Meeting: To continue the staff evaluation process under the guidance of Prof A.T. Bhashyam

Action Taken:

Could not be carried out due to COVID-19 Pandemic.

Discussions /Suggestions: In spite of having taken the feedback from students, meeting could not be conducted due to lockdown.

Resolution of 10th GC meeting: It was resolved to continue the staff evaluation process under the guidance of Prof A.T. Bhashyam, after the polytechnic reopens

10.3(9.3c): Placement Discussion:

Resolution of 9th GC Meeting: It is resolved to continue with the placement Activities

Action taken:

Could not be carried out due to COVID-19 Pandemic

Discussions /Suggestions: After the Placement activities discussed during 9th GC meeting, no activities of placement, like campus interview, could be done due to COVID-19.

Resolution of 10th GC Meeting: To continue the placement activities.

10.3(9.3d): IMS & Skill Development Activities :

Resolution of 9th GC Meeting: It is resolved to pursue courses under CMKKY & to get approval.

Discussions /Suggestions: After the activities discussed during 9th GC meeting, no activities could be done due to COVID-19.

Resolution of 10th GC Meeting: To continue the activities of skill development after polytechnic reopens.

10.3(9.4) Progress of the Polytechnic

10.3(9.4.1) Additional Building and Procurement of Loan:

Resolution of 9th GC Meeting :It was resolved to expedite the process of building construction with the necessary support from JSSMVP

Action Taken: Could not be carried out due to COVID-19 Pandemic

Discussions /Suggestions: Prof. M.H. Dhananjaya, questioned as to why to invest on new building, as virtual classrooms and staggered time table can be used to effectively utilize the existing building facility.

For this, Dr. C. Ranganathaiah, Director, expressed that, the infrastructure needed is as per the AICTE norms, without which the Extension of approval will not be given. In addition, he explained about the ordeal of getting EOA this year, for which JSSMVP has given approval for JSS public school new building, which has been shown under polytechnic infrastructure. Only after this, the polytechnic could get EOA for the academic year 2020-21 from AICTE, New Delhi.

However, he expressed that the suggestion of Prof. M.H. Dhananjaya, can be effectively implemented only if AICTE norms are modified suitably and include the option of virtual classrooms in their policy. For this the Government officers concerned should suggest AICTE, and investigate the possibility of including aforesaid modification in AICTE norms.

For this the Government officials noted the suggestion.

Resolution of 10th GC Meeting:

It is resolved to pursue the matter with DTE, Bangalore, regarding above suggestion

10.3(9.4.2): Procurement of Machinery / Equipment

Resolution of 9th GC Meeting: It is resolved to commission the UTM procured from JSSATE , Bengaluru

Action Taken:

No activities carried out due to COVID-19 pandemic

Discussions /Suggestions: Dr. C.G. Betsurmath, Executive secretary, suggested to plan in advance regarding the requirement of either machinery/equipment for the next academic year, which has no bearing on COVID-19. For this, Principal expressed that at present no new machinery/equipment is needed. However, if it is required as per the new syllabus , which will come into effect during next academic year, it will be procured with prior planning

Resolution of 10th GC Meeting: It was resolved to procure Machinery/equipment, if required as per new syllabus

Proceedings of 10th Governing Council Meeting

10.3(9.4.3): Poor Result & Poor Performing Students:

Resolution of 9th GC Meeting: It is resolved to continue with the process of improving results

Action Taken :Could not be carried out due to COVID-19 Pandemic

Discussions /Suggestions: Dr. C.G. Betsurmath, suggested to take suitable steps to improve results.

Resolution of 10th GC Meeting:

It was resolved to implement the suggestion made.

10.3(9.4.4): Alumni Association:

Resolution of 9th GC Meeting: It is resolved to continue registering new students from time to time.

Action Taken:

Could not be carried out due to COVID-19 Pandemic.

Discussions /Suggestions:

Dr. C.G. Betsurmath suggested to maintain a database of alumni members with all essential details and also to strengthen the association by involving members effectively.

Resolution of 10th GC Meeting:

It is resolved to continue registering new students from time to time and implement the feasible suggestions made by the members.

10.3(9.4.5) Guest Lectures and Staff Training:

Resolution of 10th GC Meeting: It is resolved to conduct lectures on motivation for students.

Action Taken: Could not be carried out due to COVID-19 Pandemic.

Discussions /Suggestions: Members noted and suggested to increase the number of lectures during the next academic year.

Resolution of 10th GC Meeting:

It was resolved to arrange for guest lectures and staff training once the polytechnic reopens.

10.3 (9.4.6): Establishing e-library:

Resolution of 10th GC Meeting: It was resolved to implement the suggestion made by members.

Action Taken:

Could not be carried out due to COVID-19 Pandemic.

Discussions /Suggestions: Members noted

Resolution of 10th GC Meeting : It was resolved to motivate students to make use of available e-library facility

10.4 ACADEMIC ACTIVITIES

10.4.1 Courses Offered:

Discussions /Suggestions: Prof. M.H. Dhananjaya, suggested to start a course on Rubber technology, for which required infrastructure is available in the SJCE campus, under Dr. Banerjee Centre of Excellence, for Rubber Technology Education Training, Research Testing and Skills Development..

For this, Principal opined that, for implementing any new course, framing of syllabus, approval from DTE, Bangalore has to be taken.

Further, Dr. C. Ranganathaiah, Director, brought to the notice of Prof. M.H. Dhananjaya, that since the polytechnic is not autonomous institution, and governed by the DTE, Bangalore, new course cannot be started without the approval from AICTE and Board of Technical Examinations, Bengaluru.

Resolution of 10th GC Meeting: Members noted.

10.4.2 Admission Status:

Discussions /Suggestions:

Dr. C. Ranganathaiah, Director, after going through the admissions in the Annexure table, suggested not to show SNQ/Repeaters separately. Instead mention only total number of students admitted. He further asked Principal, the percentage of admission. Principal mentioned that it is 90% of the approved strength of 360.

For this, Dr. C.G. Betsurmath, suggested to take suitable steps to ensure 100% admission. For this Principal expressed that the admission has improved this year compared to last year. Sri. Ravichandran.N, Joint Director (Exam) and Sri.T.Harish, Asst. Director (Technical), brought to the notice of members that the admissions in JSS Polytechnic is comparatively good with respect to other private polytechnics in the state

Dr. C.G. Betsurmamath, asked Sri. Ravichandran.N, Joint Director (Exam) and Sri.T.Harish, Asst. Director (Technical), if they have anything to express.

For this both of them said that the COVID-19 has caused much misery to the education field, especially for students. Though the decision of passing the students of lower semester is not appreciated, they had no other alternative.

Prof. M.H. Dhananjaya, enquired them about the effect of new education system on technical education.

Proceedings of 10th Governing Council Meeting

For this they expressed that it has to be dealt in detail and it is too early to draw conclusions at this juncture.

Dr. C. Ranganathaiah, Director, expressed about the shortfalls and lacunas in the presentation of the GC meeting. He also suggested to Principal to learn the skill of presentation and new technology in the good earnest to overcome the short falls in the on line presentation which may be largely due to technical snags and less know how about the presentation platform being used. For this Principal readily agreed.

Prof. A.T.Bhashyam, gave following suggestions.

- 1) To devise new methods to deliver technical subjects online.
- 2) To reduce infrastructure requirement by authorities concerned to 50% for blended learning.
- 3) To increase the competence and capability of teachers for online teaching.

Vote of thanks

Dr. C. Ranganathaiah, Director, and Principal, on behalf of JSS Polytechnic and JSSMVP, thanked all the GC members present.

AGENDA 10.14: Activities during lockdown period.

The lockdown started from 24th March 2020. The lockdown has not stopped JSS Polytechnic from its academic progression.

We started adopting transition to online teaching from 28th March, 2020 through virtual platforms like Whatsapp, Google classroom, Zoom and Webex.

Though students and staff took some time to adapt to the new virtual technology, they became well versed with the new methodology in a short span of time.

Teaching and non-teaching staff have actively participated in the online teaching, attendance monitoring, and evaluation of students.

- **On line classes – as per Annexure-V (Giving details about on line classes conducted and report sent to the director)**
- **On line courses – as per Annexure-VI**
- **Training classes for Non- teaching staff carried out-as per Annexure-VII (Giving details about classes conducted)**
- **FDP Programme attended by teaching staff-as per Annexure VIII (Giving details of FDPs attended)**
