Discussions /Suggestions:

Dr. C. Ranganathaiah, suggested to make a comparative statement of the results in science and mathematics, of all the polytechnics coming under JSSMVP.

For this Dr. A.T. Bhashyam, expressed that the comparative statement of results between aided and non aided polytechnics cannot be justified as the quality of students selected on merit basis in aided polytechnics is in no comparison to those admitted to private polytechnics under JSSMVP.

Sri.T.Harish , expressed that the results of science and mathematics is far better than the board results , for which Sri. Ravichandran.N also agreed.

For this Prof. M.H. Dhananjaya and Dr. C.G. Betsurmam, gave their consent. However, they sought to know the necessary steps taken and efforts put forth to improve the results.

At this point Sri. G Ramalingana Gowd, said that all possible efforts were sincerely made, inspite of which the results decreased compared to previous year. Further, he said that the results of Science and Mathematics of JSSP, Nanjangud is almost same as that of our Polytechnic.

Resolution of 9th GC meeting: It was resolved to continue sincere efforts to improve results.

ii) Establishing Language Lab

Resolution of 8th GC Meeting : To continue the same with regard to the language lab and try to improve results.

Action Taken:

Existing lab adjacent to Library with 25 computers, is being used to provide training in English Communication by our staff, using audio visual aid and CDs. In addition, lessons in respect of soft skills and English grammar were also taught.

The results of Communication Skills in English is as follows:

April/May 2019 - 81.25 % (Even Semester)

Nov./Dec. 2019 - 70.4 % (Odd Semester)

Discussions /Suggestions: Members noted the results and suggested to improve results further.

Resolution of 9th GC meeting: To continue the same with regard to the language lab and try to improve results.

9.3(8.3b) : Formation of Staff Evaluation Committee

Resolution of 8th GC Meeting: To continue the staff evaluation process under the guidance of Prof A.T. Bhashyam

Action Taken:

Prof. A.T. Bhashyam, reviewed the results and addressed the staff. He also gave valuable advice to the staff as to how to improve results in those subjects which has less than 50% results.

Also during last year there were only 2 subjects in which the results were 100%.

However, this year there are 12 subjects in which the result is 100%, as given below

List of subjects in which result is 100%

Sl No.	Name of the subject	Class	Percentage (%)	Name of the Staff Sri/Smt
1	Water Resources Engg.	V CE	100	Bhavya.M.
2	Building Planning & Drawing	V CE	100	Rooppesh Kumar. B.

11	Industrial Engg & Management	V MC	100	Harshakumar.S.
12	MEMS	V MC	100	Veena.D.R.

Discussions /Suggestions: Prof. A.T. Bhashyam, expressed that he had visited the polytechnic recently and went through the results in various subjects and found satisfactory. However he also stated that he has advised the concerned staff in those subjects which has less than 50% results as to how to improve the same.

Resolution of 9th GC Meeting: To continue the staff evaluation process under the guidance of Prof A.T. Bhashyam.

9.3(8.3c): Placement Discussion:

Resolution of 8th GC Meeting: It is resolved to continue with the placement Activities

Action taken:

The placement activities were continued with Sri K.S.Bhakthavatsala

-Lecturer/placement officer, as chief coordinator.

Number of Students Passed- 150

Number of students Perusing Higher Education-88

Number of Students Employed – 02

Number of Students Self Employed – Nil

Discussions /Suggestions: Members noted the details.

Dr. C.G. Betsurmath, instructed to let him know within a week's time, about the remaining 60 students, as to what they are doing presently, who are neither pursuing higher studies nor employed, as per the above details.

Prof. M.H. Dhananjaya, suggested to call those students and try to counsel atleast some of them and introduce them to STEP in our campus, so that they can start their career as entrepreneurs.

Resolution of 9th GC Meeting: To continue the placement acclivities and to comply with the suggestions made by the honorary members.

9.3(8.3d): IMS & Skill Development Activities :

Resolution of 8th GC Meeting: It is resolved to pursue courses under CMKKY & to get approval.

Action Taken:

Two courses namely, Construction Painter & Decorator, and Helper- Mason were registered with Koushal Karnataka Mission, under CMKKY. However, entire status of approval is pending.

Discussions /Suggestions: Prof. M.H. Dhananjaya, suggested Principal to personally go to the Koushal Karnataka Mission, and try to enroll for advanced courses instead of restricting to painter and decorator courses. For which principal agreed.

However, Sri. Ravichandran.N, expressed that the skill development mission has stopped all the courses, for the time being, due to some policy issues.

Resolution of 9th GC meeting: It is resolved to implement above suggestions.

9.3(8.4) Progress of the Polytechnic

9.3(8.4.1) Additional Building and Procurement of Loan:

Resolution of 8th GC Meeting : It was resolved to expedite the process of building construction with the necessary support from JSSMVP.

Action Taken:

Response from the concerned banks is pending.

Discussions /Suggestions: Prof. M.H. Dhananjaya, expressed that the loan repaying capacity is low for the institution, and hence it has to be stalled temporarily. However, alternative fund raising possibilities, if any, may be looked into. For this, Dr. C. Ranganathaiah also agreed.

Resolution of 9th GC Meeting:

It was resolved to implement suggestions as above.

9.3(8.4.2): Procurement of Machinery / Equipment

Resolution of 8th GC Meeting: It is resolved to commission the UTM procured from JSSATE , Bengaluru.

Action Taken:

The UTM procured from JSSATE, Bengaluru, was commissioned successfully. In addition, training of personnel in operation and conduction of experiments on the machine was imparted. Presently classes are being conducted for students regularly.

Resolution of 9th GC Meeting: Continue with the operation of the machine for lab purposes.

9.3(8.4.3): Poor Result & Poor Performing Students:

Resolution of 8th GC Meeting: It is resolved to continue with the process of improving results.

Action Taken : In continuation from last year, the unit tests and remedial classes were organized even this year.

The results in some of the subject are as follows:

Applied Science I Semester – 60.4%

Engineering Mathematics I Semester -43.47%

Communication Skills in English I Semester -70.4%

Strength of Materials (Mech.) III Semester – 69.23 %

Discussions /Suggestions: Dr. C.G. Betsurmth, suggested to maintain mentor system and allocate 20 students to each lecturer and instruct them to take suitable steps to improve results.

Prof. M.H. Dhananjaya, suggested to display the results, range wise so that it will be effective in analyzing the details and draw conclusions. Further this also helps in chalking out possibilities in improving results.

Prof. Ranganathaiah C, also suggested to display combined three years bar charts of the results for effective analysis.

Resolution of 9th GC Meeting:

It was resolved to implement the suggestions made.

9.3(8.4.4): Alumni Association:

Resolution of 8th GC Meeting: It is resolved to continue registering new students from time to time.

Action Taken:

228 students have registered during this academic year. i.e., 2019-20.

Discussions /Suggestions:

Dr. C.G. Betsurmth and Prof. Ranganathaiah C, suggested to arrange technical talks by the alumni members on regular basis.

Further, they suggested to maintain a database of alumni members with all essential details and also to strengthen the association by involving members effectively.

Resolution of 9th GC Meeting:

It is resolved to continue registering new students from time to time and implement the feasible suggestions made by the members.

9.3(8.4.5): Guest Lectures and Staff Training:

Resolution of 8th GC Meeting: It is resolved to conduct lectures on motivation for students.

Action Taken: Till date 09 lectures on technical subjects has been conducted.

Discussions /Suggestions: Members noted and suggested to increase the number of lectures during the next academic year.

9.3 (8.4.6): Establishing e-library:

Resolution of 8th GC Meeting: It was resolved to implement the suggestion made by members.

Action Taken:

Students have the access to the following list of websites for e-learning.

1. Indian Academy of Science- www.ias.ac.in
2. NISCAIR- National Institute of Science Communication and Information Resources-www.niscair.res.in
3. NPTEL-Nation Programme for Technical Education Learning- <https://ieeexplore.ieee.org/document/6004353>
4. DELNET-www.delnet.nic.in
5. National Digital Library-<https://ndl.iit.kgp.ac.in>
6. Magzter Digital Newsstand for Journals and General Magazines. www.pdfdrive.com-

Discussions /Suggestions: Members noted.

Resolution of 9th GC Meeting: It was resolved to implement the suggestion made by members. In addition, more number of students should be motivated to make use of available e-library facility.
